# 2022 IMEA All-State Parent Information Sheet

Dear Parent/Guardian of an All-State Music Student,

Thank you for allowing your son/daughter to participate in the 2022 All-State Honor Group experience! We know this will be a highlight in their high school music career. Please read through this letter for important information and answers to questions you may have.

- All Gala concerts will be held on the campus of Northwest Nazarene University at the Brandt Center Swayne Auditorium. Concerts will be held either on Friday, February 4, or Saturday, February 5, 2022. Times and ticket availability will be announced as the event gets closer.
- Students will wear their regular concert attire they perform in at their local high school concerts. Formal attire is appropriate.
- Once students check in for the All-State event, they have a set schedule that they will follow. They will be involved in rehearsals, performances and activities that start at 8:00am.
- Students will be expected to arrive at the NNU or Nampa HS location each morning and will be picked up by their director or school sponsored chaperone at the end of the day's activities. If the student is late to a rehearsal **or does not attend the full day's activities** they will be dropped from the event. NO EXCEPTIONS. This includes all meals and anything scheduled for the day.
- If students leave the rehearsal site on their own, the director will be notified as well as the parent/guardian. Rehearsals and evening performances will be strictly enforced to ensure students are safe and compliant with all rules. Once all parties are notified, disciplinary action will be determined. Please talk to your son/daughter about your expectations so that students are not tempted to make poor choices.
- Once the Gala Concert is over, the students will be released to their director, parent or chaperone until they arrive home.
- It is recommended that students bring snacks to have on hand in case they get hungry after meal times. They will be fed well at meal times.
- Students will be responsible for meals before and after the All-State event.
- Recordings of the IMEA All-State Gala Concerts will be available through SoundWaves Recording. Each student will receive one download of their concert performance. Additional forms will be emailed with the music and will also be available at the concert. Recordings of the concerts will not be made available through IMEA. Please do not return these forms to IMEA.
- Professional Photographs of each group will be available through Musical Memories Photography. Forms will be emailed with the music and will also be available at the concert. Please do not return these forms to IMEA.

COVID 19 PROTOCOLS 2022**

As everyone is aware, we are in a time of having to do things differently for the safety of all people involved in All State. Many discussions have taken place and ultimately decisions have been made to continue offering the All State experience to students and their directors and families. As with everything, we are taking as many precautions as possible to ensure the quality of the event as well as the safety of the event. With that in mind, here are the Covid 19 protocols that will be in place for this year:

1. **Face masks will be required for all participants, directors, and concert attendees for All State 2022. This will include all rehearsals and concerts.**
2. Every honor group will be made into a “pod” where they will be together for rehearsals and meals as a group after the orientation on Wednesday evening.
3. We are going to modify rehearsal times and evening events in order to give as much rehearsal time to students and to allow them time to rest and regroup for the next day. This means that evening activities will be limited or cancelled for this year.
4. As students check in for rehearsals each day, they may have their temperature checked and a set of wellness questions they need to answer in order to be admitted into the event. **ANY STUDENT WHO ISN'T FEELING WELL WILL BE DISMISSED FROM THE GROUP AND NOT ALLOWED TO RETURN.**
5. Any additional protocols that are added between now and February will be followed by all involved to ensure that the safety of all is our top priority.

Health protocols for All State musicians have been determined by the IMEA board in conjunction with the All State host site. Every university in Idaho has similar protocols in place as they have been in discussion with the CDC and local departments as well as the Idaho State Board of Education. These protocols allow IMEA to offer All State Honor Ensembles this year. Students who chose to participate in All State are choosing to fully participate in all COVID mitigation protocols.

Anyone who chooses not to follow these protocols will forfeit their participation in any capacity for this event, including coming to watch the performances.

By signing below, the student, parent/guardian, director and principal all agree that these protocols will be followed and understand that this is not up for discussion.

Thank you!
